**Ref: EC No. 1907/2006 Registration, Evaluation and Authorization of Chemicals (REACH) – Request for Information: SVHCs in Articles**

Dear Mr. /Ms,

The European Chemical Agency (ECHA) has added additional substances to the Candidate List under Annex XIV as Substances of Very High Concern (SVHCs) on 15 January 2019. Please find the ECHA press release link concerning the authentication of this list.

<http://echa.europa.eu/web/guest/candidate-list-table>

Suppliers of substances or articles containing any of these SVHCs over 0.1% w/w have obligations under Article 33.1 of REACH, namely;-

*Article 33 Duty to communicate information on substances in articles*

*1. Any supplier of an article containing a substance meeting the criteria in Article 57 and identified in accordance with Article 59(10) in a concentration above 0,1 % weight by weight (w/w) shall provide the recipient of the article with sufficient information, available to the supplier, to allow safe use of the article including, as a minimum, the name of that substance.*

**Please contact me should you have any questions regarding the above.  
Yours sincerely**
